

**Know Before You Go:** If a ride out west is in your plans this summer or fall, go to [www.drivethetop10.com](http://www.drivethetop10.com). There you'll find details on the top 10 scenic drives in the northern Rockies, covering awesome rides in Idaho, Montana, Wyoming, Oregon and even into Canada. Check out events, learn about outdoor activities and places to visit, and study maps so you don't miss anything. You might even learn some history while you're at it. Pop on over to [www.idahobyways.gov](http://www.idahobyways.gov), too, where you can get the scoop on the Selkirk Loop that IW's Margie Siegal rode last fall. She had fun, you might too!

**Ten-hut!:** Ten veteran motorcycle organizations and over 75 veterans-related associations attended the "A Walk With Heroes" tribute during Daytona Bike Week. Sponsored by

the Legendary Buffalo Chip and Plaza Resort & Spa, the gathering consisted of a ceremony, entertainment, and balloon launch to honor fallen heroes. Keynote speaker was Gunnery Sgt. R. Lee Ermey, actor and advocate for U.S. Armed Forces and Veterans groups, who has also just announced that he will be participating in this year's salute to veterans at the Legendary Buffalo Chip during Sturgis Rally Week 2010. To find out more go to [www.legendarybuffalochip.com](http://www.legendarybuffalochip.com).

**Turn On, Tune In:** Michele Smith and Jay Barbieri will be hosting a new motorcycle magazine

show called "Two Wheel Thunder" on the Discovery network's HD Theater starting June 7. "The biker

community will once again have a TV show that will bring them the latest in the V-Twin market and much more," said Michelle. Barbieri is not only co-hosting the new show but is also the Executive Producer. HD Theater is a high-definition network from Discovery Communications, the owner of the Discovery Channel. Visit the fan page: [www.facebook.com/pages/Two-Wheel-Thunder/300269857861](http://www.facebook.com/pages/Two-Wheel-Thunder/300269857861).

### Dad, Can I Borrow the Bike?:

Wanna know where your bike is at all times? XactTrax, a new GPS personal tracking device from Xact Technology, is designed to monitor and track the location of your important property and loved ones, anytime, anywhere in the

world. There's no monthly subscription required and it offers a user friendly and flexible web based portal plus enhanced security features. Use it to track your motorcycle—or your teenager on your motorcycle. Learn more at [www.xacttechnology.com](http://www.xacttechnology.com).

### Uhl Liberates a Pin-up:

Now available in limited release is the fifth image in David Uhl's "Vintage Pin Up" series. Said David, "This particular piece has to do with Harley-Davidson's campaign involving the military. I liked their thinking on this one, saluting the troops and all. My version actually involves the odd WWII flathead called the "Liberator." It wasn't the most attractive bike having every surface painted flat green, but it was historically accurate, down to the Thompson automatic machine gun."

A hand-embellished canvas proof that David was painting in Daytona is also being offered. Show your patriotic pride and contact [www.uhlstudios.com](http://www.uhlstudios.com), 303-913-4840, [www.facebook.com/uhlstudios](http://www.facebook.com/uhlstudios).

### Teaming Up For XR

**Racing:** Following a solid 16th place performance in the 69th running of the Daytona 200, James Gang/Hoban Brothers Racing now plans to enter the new AMA Pro Racing Vance & Hines XR1200 class. The team will campaign Buell
