## Part 1b: Sustainable Tourism Practices - General Info

Part 1 of this application form identifies the general types of sustainable tourism practices used by organizations in the Top 10 region. Part 2 (separate document) is a more detailed checklist of practices within each category. Businesses and attractions desiring to participate as official Top 10 suppliers currently should be taking steps to implement the following sustainable practices. **INSTRUCTIONS:** Please indicate whether your organization is currently using sustainable practices in the following categories by placing an "X" in the appropriate column. It is our intention to update this form regularly, so you will be able to update your responses as they change. Return to Anna Holden, [anna@drivethetop10.com](mailto:anna@drivethetop10.com). Questions? Call 208-839-9497.

Green Tourism General Practices	YES (mark X)	NO (mark X)	NOTES (use this space to note details, comments, questions, etc.)
